THE HON. MORDECAI WILLIAMS is now quite sure that this is an "off year"—for him.

In Wyoming the House of Representatives just elected has 37 Republicans and 1 Democrat. How lonely that poor fellow must feel.

The potency of GEORGE B. COX in Cincinnati politics is shown by the 30,000 majority given some of the Republican candidates at the recent election.

It's all over—for this time anyway. Now let the Republicans of the Ninth District "get together" and unite on a candidate that will "win in a walk" two years hence.

WILLIAM BRYAN, a New York plumber, has filed a voluntary petition in bankruptcy with liabilities of \$138,000 and no assets. The only plausible reason for his failure is that he didn't advertise and consequently had no trade.

Mrs. MAGGIE-GEORGE SCHMITTBERGER Minor stands charged with bigamy at Cincinnati. While she was collecting such a multitude of names, it's surprising how she fell upon such a simple one as SCHMITTBERGER. Why didn't she tackle some of the SCHLOCKTERMEYERS, GREUNDHOFFERS or LAUCHTERMANN'S?

GERMANY has not been over-friendly with us in our war difficulties, but she comes to our aid in peace times by preferring a strong argument for the retention of the Philippines in offering to buy the islands for \$300,000,000. If the Philippines are worth \$200,000,000 to Germany they are worth that much or more to the United States.

SPAIN refuses to give up the Philippines, and wants Emperor WILLIAM of Germany to act as arbitrator. Emperor BILL will please remember Admiral Dewey's warning to DIEDERICH, the Dutch Commodore at Manila, "Don't get between by guns and the Spanish ships!" In other words, dear BILL, "don't monkey with a buzzsaw when it is in motion."

You can't throw many bricks at Mason county, anyway. Two years ago Colonel W. LAURE THOMAS was a candidate against Mr. PUGH, and carried the county by 154 majority. This year Mr. PUGH was beaten by an increase of 177—or 331 majority. Compare this "slump" with Boyd county, which gave PUGH 896 majority two years ago and only 63 this time—a net loss of 833.

DISFRANCHISEMENT of those who cannot read is practically secured by the Oklahoma Territorial Election Law, sustained by the Judge of the District Court. In compliance with this law the names of all candidates must be printed in one column, the order to be different for each office. The only marks distinguishing the different political candidates are the abbreviations of the party to which the candidate belongs, which abbreviations are printed in small letters alongside his name. Those who haven't sense enough to vote under the ballot system of Kentucky are advised to stay away from Oklahoma.

Of the 250,000 soldiers who enlisted for the War with Spain in response to the call of the President, 247,000 are alive today. Less than 3,000 soldiers, all told, have died. War was declared more than six months ago, and in the whole six months fewer than 3,000 out of 250,000 have died. There have been battles on land and on sea, and Spain has been beaten. The world's history contains no parallel for the record of the United States in this War. Could there be a more effective answer to the wild yaws of the yellow journals and the Democratic candidates about alleged mismanagement of the War?

Three thousand deaths in six months in a population of 200,000 is a death rate of 24 in 1,000 annually. The death rate in New York City in times of peace has only recently, under the most sanitary improvements, fallen below that rate. The death rate of many cities in the country is larger. Of course, the soldiers were picked men, but the conditions were those of war, not peace.

AND the next day it rained; and it's been raining a good deal ever since.

THE NEW LAW.

Good Deal of Trouble if You Want to Get Married in Ohio Now.

The blanks to be used under the new marriage law of Ohio are out and they are quite formidable looking documents.

The prospective groom has to state under oath his name, age, birthday, residence, place of birth, occupation, father's name, mother's maiden name, whether or not he was previously married and whether or not he has a wife living.

The young lady must also answer the same questions and by whom the couple are to be married must be stated.

If the parties are of nearer kin than second cousins, the license is to be denied.

The person who officiates at the wedding is subject to \$50 fine if he fails to return the certificate. Persons under age shall give consent of parents or guardians personally before the Probate Judge, or in their absence the evidence of two witnesses is necessary.

A forfeit of \$1,000 to the person aggrieved is provided if a license is issued in any other manner.

A certificate of every marriage, whether by bonds or license, shall be transmitted to the Probate Court each month.

There are enough spaces on the blanks for a full family history—including an authentic account of Uncle Sam's victory over the Spaniards.

\$100—Reward—\$100.

The reader of this paper will be pleased to learn that there is at least one dread disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly on the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address, F. J. CHERRY & Co., Toledo, O.

Sold by druggists, 75 cents.

THE BUYERS' GUIDE
OUT OF BED!

And Ready to Serve You With Renewed Energy
Is THE PRICE FIGHTER.

The Battle of Prices Goes Merrily On!

The Price Fighter is again at the helm. He is again in command of his good ship "Low Prices." Standing upon the forward 13 inch gun you see him waving his now famous red flag, upon the flowing folds of which is inscribed his mystic motto, "10 Per Cent. Only—Cash Only—One Price Only." What say the people as the breeze unfurls this flag? They have spoken in tones of thunder so plainly that he who runs may read. Roaring over the hills, echoing through the hollows and reverberating through every crack and crevice of five counties, the mighty voice of a thoroughly aroused people says "Down with high prices and up with The Price Fighter's Red Flag!" Those who are deaf may ask their neighbors, and those who are blind may ask Maysville's draymen and transportation companies, so there is no excuse for any one remaining ignorant of the fact that all his neighbors are buying their

Furniture, Machines, Farm Implements

OF JOHN I. WINTER, THE PRICE FIGHTER.

GEORGE WASHINGTON, were he alive today, would tell you so, and prove it by his good wife Martha. The present demoralized and overstocked condition of the large Western factories and foundries offers exceptional opportunities to the big buyer with cash, a fact of which The Price Fighter is thoroughly cognizant, and he has spent the first week of his convalescence buying bargains, bargains of which he never heretofore dreamed, and in quantities to surprise even himself, so much that we can't price them all and are going to divide them into three lots and almost give 'em to you.

Is a steamboat load of fine CHAIRS. There are 38 styles, ranging in price from \$5 25 to \$12 40. We dump them into one lot and let you take your choice at \$1 80. But you must pick them yourself. We won't tell you which is \$5 25 and which \$2 40. Come on, wise people, and let's see how good a judge of Furniture you are. You can't go amiss. Our word for it, there isn't a chair in the lot under \$2 40.

Is 138 of the finest WILLOW CHAIRS that ever came to Maysville. They range in price from \$12 55 down to \$7. They all go in one lot, and you can have your choice at \$5 95; but you must pick them for yourself.

Is a carload of nice BEDROOM SUITES—finely carved Dresser with beautiful pattern Mirror, fine enclosed Washstand and great big 6 feet 4 inch high Bed elegantly carved. You can have a Dresser, Washstand and Bed all for \$11 95, and if you don't find them well worth \$16 you may return them.

We just received a lot of the famous

MARSEILLES CORN SHELLERS

Sold the world over at \$8; we will sell you one or a dozen at \$5 95 each. Wise people should take advantage of these good things. The tireless, ceaseless and sleepless energy-displayer in securing these goods at half their value should compel your attention.

A REAL NOVELTY—THE INVENTION OF THE AGE—A DOUBLE-GEARED ROLLER-BEARING FEED GRINDER that will grind from 20 to 40 bushels of feed per hour instead of 8 to 15, as the one you have. Throw it away and get you a good one. The most rapid grinding mill on earth. The burrs revolve twice to the sweeps once. It's a real live curiosity. Stop and look at it. Like other good things, it is sold by The Price Fighter—that ceaseless, tireless toiler for good things at a low price; who never sleeps, only doses. "Get in the swim," "join the push," come up the pike and let me save your money for you. Do you ever hunt? If you are a bargain hunter, make a stand at yours truly.

JOHN I. WINTER, Maysville, Ky., 11 E. Second Street,

The PRICE FIGHTER

It is said that Sarah Bernhardt is going to hunt tigers. This may be her farewell tour.

Prof. Wagstaff of England has been proving to his audience at Gresham College that if Adam had busied himself at counting he could not have counted a million million up to the present time. Granting that Adam was created 6,000 years ago, he would have counted for 180,216,000 seconds. Adam's tongue would hardly permit him to count more than three a second for so long a time. Allowing a rate of three a second he would have reached a total of 567,648,000.
